MAJOR NATIONAL PUBLIC EDUCATION DISPLAYS: SCHEDULE

INTRODUCTION: DISPLAY THEMES

Theme 1: *Universal Income for a Sustainable Future*: This core theme describes and illustrates the concept of universal income as an expression of existing laws on economic rights and sustainability.

New Theme 2: *World of Universal Income*: This new theme demonstrates how the concept of universal income has been recognised and/or implemented to varying degrees throughout the world past through present. The materials have recently been updated and expanded for 2014: premiering at the end of 2013 in Dunedin and officially “opening” the New Year in 2014 at Kaitaia.
