Brochure-type resources in Gagana Samoa	769
Brochure-type resources in Lea Faka-Tonga	659
Other multilingual translated brochure-type resources	1098
Educational business cards (including as giveaways)	86

Digital Education Resources

Estimate of people provided with physical links to UIT website resources ¹	9672
Annual estimate of people provided with new digital links, combined with estimate of people receiving access this year to existing digital links ²	5000

¹ The estimate is based on the assumptions that a single distributed takeaway resource (brochure, card etc) provides link access to one person, a physical poster display provides link access to 10 people, and a major educational display provides link access to 50 people. The quantity includes any known onward distributions by receiving venues.

² For the number of people having link access via a posting on a venue's digital portal, the estimate is based on the best information on hand as to specific conditions for use of each portal and number of people meeting those conditions for the year in question. For the number of people having access in current year to already existing links established in a previous year, the estimate is derived from a case by case analysis regarding the continued existence of the portal, any change in quantity of people able to access it, and whether the link is likely to have been removed by that time.

E_Book Draft

World of Universal Income, by Patrick Danahey copyright 2016: This frequently updated work in progress explores the diversity and commonalities of the world's Universal Income systems past through present via human development and practical implementation perspectives. Additionally, by way of its Introduction and Appendix, the book assembles the most recent developments affecting UI systems in the legal spheres of economic rights laws. These include participatory democracy, economic development, disarmament, poverty eradication, and sustainability conventions—currently dominated in the media by “climate change”—which are now understood as being inalienable, inviolable, mutually interdependent, indivisible, and interlinked together. The laws mandate that the solutions sought for one must be worked in tandem with the other conventions without violations. The work also illustrates cited progress in NZ’s national statute laws to accommodate these changes and developments. To access it from our website, go to the Resources Page where it is listed at the top under Books.

Electronic Display: Presentations

The electronic display *Exploring the World of Universal Income*, self-running or manually-operated or in plain PDF, can be accessed from our website's Resources page by scrolling down to Videos and Electronic Animated Presentations heading.

Electronic Display: Interactive -- Tax Transfer Calculator

On the Economics page of our website (under Distribution of Wealth and Income in the Table of Contents, it is listed with a hyperlink to take you there), there is an interactive Tax Transfer Calculator, together with its explanatory Instructions and Background Manual in PDF. This enables you to calculate and compare how much dole everyone, including the rich, really receives and pays from any given user pay scheme, or uniformed charge on public resources or services including: education, health, GST, science-arts-recreation facilities, levies, tolls, petrol taxes, environmental taxes, local council supported projects, water, and etc.

MAJOR NATIONAL PUBLIC EDUCATION DISPLAYS SCHEDULE

Display themes

Theme 1: *Universal Income for a Sustainable Future*: This core theme describes and illustrates the concept of universal income as an expression of existing laws on economic rights and sustainability.

Theme 2: *World of Universal Income*: This theme demonstrates how the concept of universal income has been recognised and/or implemented to varying degrees throughout the world throughout human history.

Electronic presentation: *Exploring the World of Universal Income*: This defines what universal income systems are and then expands further on Theme 2. It also works as a standalone for venues with limited space.

The Trust's thanks go out to the host venues that have very kindly offered suitable space, facilities, and staff time for setting up, monitoring and returning the displays.

Dunedin City

27 March - 28 April 2023	The Cube, Dunedin City Library	Electronic display
27 March - 28 April 2023	Dunedin City Library	Themes 1 + 2

Hutt City
